Station Triplicane, Madras *Dated the* 19th June 1936.

From (Name) M.R.Ry Rao Sahib P. K. R. MENON, Avl., B.A.,
(Designation) Secretary to the Commissioner of Excise.

To The Secretary to the Government of Madras,
Revenue Department.
(with enclosure)

Sir,

A. H. A. Todd, Esq., C.I.E., I.C.S.,
Commissioner of Excise.

Reference:-

in both the ranges and has been on the increase. In the interests of administration and Government revenue it is highl desirable to divide the taluk into three ranges viz., Harpanahalli Utchengidrug and Arasakeri. During the past three years I.D. crime has been reported in as many as 18 villages. Lambodies ((Sugalies) of the taluk are notorious illicit distillers. Further the Taluk borders the Mysore territory where from ganja is smuggled. Statements showing the area, number of villages, number of shops, Revenue and detection in the existing and proposed ranges are enclosed.

As regards the establishment required for the new range proposed the Commissioner submits that the services of the Sub-Inspector and two peons sanctioned for the Hospet Railway Chowkie may be utilised. At present there is a Sub-Inspector and five peons in each of the Harpanahalli and Tegali ranges (Utchengidrug). As proposed the three ranges will have each one Sub-Inspector and four peons and the additional establishme of one Sub-Inspector and two peons required for the new range being drafted from the Railway Chowkie establishment.

The imports of toddy from H.E.H.The Nizam's territory have stopped in December 1935 and there is no prospect of revival in the near future. Hence the Sub-Inspector and two peons sanctioned for the Railway Chowkie have no work and may be utilised in the proposed Arasakeri range. The proposal involves an additional expenditure of Rs.264/- per ~~mensem~~ annum at Rs.22/- per mensem being the Fixed Travelling Allowance of the Sub-Inspector of the new range. The Commissioner requests that the Government will be pleased to approve the formation of the new range in the Harpanahalli taluk and sanction the incurring of the additional expenditure of Rs.264/- for Fixed Travelling Allowance to the Sub-Inspector. The additional expenditure can be met from the sanctioned grant under 6(b) Excise District Executive Establishment Allowances and Honoraria Voted Fixed Travelling Allowance for 1936-37.

Should

Should the import of toddy from H.E.H.The Nizam's Dominions revive, the Head Clerk of the Hospet circle office may be empowered to check consignments and levy duty as a temporary measure for a period of three years and paid a special pay of Rs.10/- per mensem and a cycle allowance of Rs.4/- per mensem. He will also have to be given the assistance of two peons. The Commissioner will submit separate proposals for these as and when the import of toddy from H.E.H.The Nizam's Dominions revives.

For Deputy Commissioner,
Northern Division.

~~to proceed~~ staff ~~to~~ proceed
In the present case ~~that~~ the posts of Instl. Supt. Inspectors sanctioned for the Chowkie have not yet been abolished.

10/7/36

the staff sanctioned for the old Veeravaram range which had been abolished might be utilised for the Madhavaram range proposed to be revived. It was noted that the utilization of the staff ~~which had been~~ abolished in the manner referred to above was irregular that the staff sanctioned for the old Veeravaram range should be surrendered and that the staff required for the Madhavaram range should be treated as a new proposal. The staff of the old Veeravaram range was accordingly surrendered in G.O. No 2948 Rev Dt 23-11-1935. In view of this it appears doubtful ~~that~~ whether the proposal of the Commr to utilize the staff of the Hospet Railway Chowkie for the new range to be formed in the Harpanahalli taluk ~~cannot~~ can be considered to be in order. If however it is considered that the staff of the Hospet Railway Chowkie can be utilized for the

new range in the Harpanahalli taluk, it is for orders whether the Commrs proposal in the c.f. may be accepted. The remarks of Finance may be invited in the first instance.

K
9/7/36

The Commissioner's proposal for the re-distribution and formation of a new range in the Harpanahalli taluk of the Hospet circle should be dealt with on its merits independently of the necessity for the continuance of the Sub Inspector and two peons sanctioned for the Hospet Railway Chowkie. The Commissioner of Excise states that the Sub Inspector and the two peons sanctioned for the Chowkie have no work. If so there seems to be no reason why these posts should not be abolished or at least held in abeyance immediately.

2. The Commissioner of Excise appears to have given good reasons for the formation of an additional range in the Harpanahalli taluk. From the statement on page 17 c.f. it will be seen that, while there is not much difference in the number of trees tapped in the three proposed ranges, (last column on p 17c under Toddy) the consumption of arrack and ganja in the Utchengidrug and Teligi ranges is much less than that in the Harpanahalli range. But there are other factors besides ~~the~~ licit consumption (arrack & ganja) which determine the amount of work to be done. The Commissioner's proposal to constitute an

13.7.36

additional range may be approved and the appointment of a Sub Inspector and two peons sanctioned temporarily for one year. The extra cost of the proposal excluding the T.A. of the peons under the ordinary rules will be as follows:--

	Rs.		
One Sub Inspector on Rs.55 per mensem last grade	55		
Two peons on Rs.12/- each	24		
Total for one year.	79 x 12 =		948
F.T.A. for the Sub Inspector at Rs.22/- per mensem	22		
Total for one year	22 x 12 =		264
		Total ...	1,212

Under instructions at A on page 7 of G.O.No.307, Fin.(Ref.) dated 24-6-1936 proposals for additional establishments required either as a temporary measure or permanently to deal with normal increase of work need not be treated as Part II schemes.

2 In this letter the CF. the Commissioner of Excise has explained in detail the necessity for the formation of an additional range in the Harpanahalli Taluk and to utilise for the new range the services of the Sub-Inspector and two peons stationed at Hospet Railway Chowkie. Sub-Md. Finance may accept the necessity for the formation of an additional range

Excise - Establishment - Hospet circle Harpanahalli taluk - Reconstitution - Formation of an additional range - Re

C.O. 2766 A/36 - From the Commr of Excise

C.R-7702 Abk A/36 dy 19-6-

To Asst Secy

Please see Commrs Report in the C.O. The proposal relates to the formation of an additional range in Harpanahalli taluk, Hospet circle. Harpanahalli taluk at present comprises two ranges, each with a Sub Inspector and 5 pcms. The Commr proposes to divide the taluk into three ranges each with a Sub Inspr and 4 pcms. ~~The~~ additional staff are Sub-Inspr and 2 pcms, ~~the~~ are required. Commr proposes to ~~draft~~ utilise the services of the sub-Inspr and two pcms sanctioned for the Hospet Railway Chowki as the S.I. and the two pcms have no work at present owing to the cessation of the influx of Toddy pcms H.E.H. the Nizam's dominions since Dec 1935. The

Commr states that the proposal involves an additional expenditure of Rs 264 per annum, being the f.t.a of the S.D. of the new range and that this can be met from the sanctioned grant under 6 b. Excise - D.I. Executive Estt. Allowances & Honoraria. Votes - T.A. for 1936-37.

He also states that if the import of toddy from H.E.H. the Nizam's Dominions ceases, the Head Clerk of the Harpet circle office may be empowered to check consignments and levy duty as a temporary measure for a period of 3 years and paid a Special Pay Rs 10 per mensem & a cycle allowance of Rs 4 per mensem, that the Head Clerk will also have to be given the assistance of two peons and that he (the Commr) would submit seperate proposals for these as & when the import of toddy from H.E.H. the Nizam's Dominions ceases

In another connection viz, the removal of the Madhavaram range, the Commr proposed that

referred to by Revenue at M on page 5 ante lay down the procedure to be adopted in regard to the preparation submission to first and subsequent finalisation of Part II Schemes for 1937-38. If the additional ranges is to be sanctioned will effect from next financial year, then the proposal need not be treated a Part II Scheme But appears from portion M at page 2 cf. that the Commissioner wants the new ranges to be formed during the current year itself If the intention of Revenue is to ~~sanction~~ give effect to the proposals of the Commissioner in 1936-37 itself, Revenue need not object. As the net extra cost is only Rs 264 p.a., (which is trivial) no reference to the Revenue Commission seems necessary
